

(Testing Notification) CSI 300 ETF Option Contract Test

Dear Customer,

SSE intends to launch a new ETF option contract on CSI 300 (Option trading symbol: 510300). We would like to organize the relevant functions test of new 510300 option contract in LDDS all-weather environment system from 2nd December 2019 to 31st December 2019.

The launch of the option is planned after the above test period.

Please submit the first test feedback using below link before 9th December 2019,
