Dear Sirs,

**Static Indicators of Some Cross-Market Indexes of China Indices Correction**

We are writing to inform you that some of the cross-market indexes of China Indices were found abnormal this morning, and this anomaly has been fixed at 1:00 p.m. this afternoon. After investigation, Shanghai Stock Exchange found this anomaly is due to upgrade of cross-market index computing system during the weekend. We sincerely apologize for any inconvenience caused.

The static indicators of the affected indexes, such as highest and lowest values, are required to make correction. Please see the affected indexes list and download the corrected file via the links: <http://47.97.204.47/temp/ZSXZ202000420.xlsx> and <http://47.97.204.47/temp/mktdt00.zip>.

Should you have any questions, please feel free to contact [marketing@ciis.com.hk](mailto:marketing@ciis.com.hk).

Yours Sincerely,
