Dear Sirs,

New Official Website of CIIS is Launched

We are pleased to announce that our brand new website (www.ciis.com.hk) is launched.

Multiple functions are now available:

- CIIP: includes partnership information of China Investment Information Platform
- Products and Services: latest fee schedule, application forms, client list, client notice etc. are available for review and download
- News: company and industry news will be updated here
- Events: materials of our biennial Global Information Vendor Meeting are uploaded. Information about any upcoming events will also be shared.
- Trading Calendar: next year's holiday information will also be available by the year end

We hope the new website will provide better experience of our product and services, and all comments and suggestions are welcome.
