

China Investment Information Services Limited
(A wholly owned subsidiary of Shanghai Stock Exchange)

20th April 2020

Dear Sirs,

Abnormal Cross-Market Indexes of China Indices Resume to Normal

The cross-market index abnormal was resumed at 13:00 local time. Static indicators like highest/ lowest value will be corrected after market close. After investigation, this anomaly is due to upgrade of cross-market index computing system during the weekend. We sincerely apologize for any inconvenience caused.

Shanghai Stock Exchange will conduct a comprehensive verification to protect the rights and interests of investors.
