

**China Investment Information Services Limited**  
(A wholly owned subsidiary of Shanghai Stock Exchange)

26th May 2022

By Email

**To: Information Vendors (Direct Connect) and Datafeed Subscribers**

Dear Sirs,

**Update of Cloud Testing Platform and Historical Data Product**

We are writing to inform you below update of our products and services.

Cloud Testing Platform Fee Schedule Updated:

Direct connect Level-2 information vendors and end users can apply for:

- 1) additional bandwidth to receive testing data of multiple exchanges. Each additional 20M bandwidth will be charged US\$5,000 per annum.
- 2) separate IP addresses to access our Cloud Testing Platform. Each IP will be charged US\$1,000 per annum.

New Historical Data Product Introduced:

China Financial Futures Exchange (CFFEX) Level-2 Intra-Day Snapshot Historical Data is available now. If you would like to order the data, just complete and return the Order Form by email, no additional agreement required. Please also note historical data is for internal use only, redistribution or resale is not allowed.

Latest Fee Schedule and product details are available on our website:
